

Key and card access go hand-in-hand across the multiple industries that Key Systems, Inc. products serve. Our Card SAM provides controlled access, storage, and reporting for the cards critical to your facilities' operation.

Secure Any Card

- Company credit cards
- Employee/Contractor/Visitor Badges
- Door/Room access cards
- Vehicle fuel cards
- Slot attendant/Technician cards

Secure multiple related cards in one position

Internal Card Holder

Cards are held in removable rigid plastic sleeves and concealed within the SAM cavities for added security. Card holders are securely attached to the keys that lock them in place.

External Card Holder

Metal sleeves permanently mounted on the panel conceal and protect cards. Locking keys prevent removal.

NEW

Universal Card Holder

Directly locks and conceals rigid and semi-rigid cards without additional keys or sleeves.

Like the other SAM models, the new Card-Key SAM also:

- Produces audit trails that record and document every transaction at the SAM.
- Opens only for authorized users.
- Offers multiple access levels.
- Alarms if asset is out beyond a certain time limit.
